## **The World's First Fully-Online School Management System**

*Designed especially for **smaller schools**.*

# Designed especially for *smaller schools*.

QuickSchools provides smaller schools a **simple yet powerful** school management system. It helps administrators and teachers with their daily activities, and keeps parents up-to-date with their children's progress.

## Fully online. All you need is a web browser.

**Online sign up** in under 60 seconds.

**Automatic updates.** You are always working with the latest version.

**Nightly backups,** so you know your data is safe.

“Because QuickSchools is web-based, I invested \$0 in hardware, and no need for a staff IT guy to keep it running.”  
*Pastor Scott Van Kirk, Finger Lakes Christian School*

## Easy to Use. No training required.

The screenshot displays the QuickSchools web interface for Greene Academy. The top navigation bar includes the school logo, the name 'Greene Academy', and a 'Trial (30 days left)' indicator. Below this are three main navigation buttons: 'Welcome!', 'Teachers', and 'Students'. A 'Live feed' on the right side shows a list of recent user activities, such as logins and account creations, with timestamps. In the center, a personalized greeting reads 'Hi Anne Fernando,' followed by 'Great start! Now let's:' and two prominent buttons: 'Set up Profile' and 'Add Students'. A '24/7 Chat Support' button is located at the bottom right. The footer contains copyright information for QuickSchools Inc. and a chat input field with the placeholder text 'Online - Type question or comment'.
